Organizational Hierarchy

```
CEO & Co-Founder (Thomas Wu)
├── Co-Founder & CFO (Liqian (Eric) Yan)
├── CTO (Zigao Wang)
│   ├── Project Maintainers
│   │   ├── Members & Contributors
│   │   └── Fellows (advisory, non-reporting)
```

3 Roles and Responsibilities

Each role in the LinkScape organization carries specific responsibilities:

Role	Key Responsibilities
CEO & Co-Founder	Organizational vision and strategic direction; final decision authority; external relations and partnerships; Founder/Co-founder veto per Ordinance s.13.
Co-Founder & CFO	Financial stewardship; Hack Club Bank relationship and reporting; budgeting, expense approval and compliance calendar oversight.
CTO	Technical direction and architecture decisions; compute resource governance (80x H100 fleet); platform security and access control.
Project Maintainers	Project-specific decisions, code review, and team coordination.
Members	Contributions, issue resolution, and community participation.
Fellows	Alumni and senior contributors providing mentorship, technical review, and advisory input. Non-fiduciary, no operational authority.
